Greetings,

I am Apostle Tommy E. Quick, founder of Christian Families Against Destructive Decisions (CFADD). CFADD's mission is to influence the building and sustaining of strong families and strong generational heritages by promoting a biblical worldview and God First lifestyle, with a goal to reach and influence 50,000 families across America. This organization was birthed in response to a rhema Word from the LORD in March 2020, "And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in."

Isaiah 58:12.

CFADD is hosting our Second National CFADD Family Conference September 21st-23rd, 25th 2022. This family empowering conference will reach families all over the nation from CFADD Headquarters in Spartanburg, SC. Individuals involved in CFADD have faith in the God of the Bible and desire to live life in right relationship with God, and the families He put them in. Many Testimonies from these families proclaim restoration, strengthened marriages relationships, and empowerment to make decisions that will bless the state of their families for generations to come. The CFADD conference will reach singles, engaged couples, newlyweds, married couples of various years with/without children and/or grandchildren.

CFADD consists of 9 Board of Directors, 10 CFADD Chapter Leaders, and several CFADD churches and associated family ministries in South Carolina, North Carolina, Virginia, Florida, and Georgia. The 2022 National CFADD conference will be conducted for CFADD supporters across the nation to participate in worship services, workshops online, and in person.

We look forward to this partnership with you regarding the 2022 National CFADD Conference, each package of support for the conference grants opportunities to present your services to support these families and family ministries. With you, we will reach families and continue the mission to build and strengthen families!

Sponsor & Exhibitor Overview

CFADD Vision

Christian Families Against Destructive Decisions mission is to influence the building and sustaining of strong families and strong generational heritages by promoting a biblical worldview and a God first lifestyle. All of the pain, grief, sorrow and sin in the world is the result of just one wrong decision. Every day we make hundreds of decisions that determine what we say and do. CFADD seeks to educate the public of the benefits and consequences of decisions that affect them and their loved ones, and to provide resources, strategies, and principles that would aid them in making good sound decisions. For no good action can be taken unless it is preceded by a good decision, and each good decision is an investment in a great future.

Christian Families Against Destructive Decisions strives:

- To combat misinformation and ignorance that effects our families negatively.
- To assure all children have dedicated mothers and fathers to protect, nurture and guide their development toward their adulthood.
- To combat all cultural ideologies and/or behavior that disrupts the nuclear family.
- To reduce the result of media violence against the family.
- To promote equality and justice for all babies conceived in the womb.
- To promote abstinence before marriage and monogamy.
- To enhance the desirability of marriage and family life.

Only by restoring the biblical foundations of the home, can the church and society flourish. Our journey together to restore the foundations of the families and repair the breaches has just begun. (Isa 58.12) Through CFADD, you may become a part of the revival of biblical family values. Together we will see the heart of the fathers turn to the children and the heart of the children to their fathers and an end to the curse of fatherlessness in the Earth (Malachi 4:6).
